I Oppose Bills 8 and 9, Regulation of Certain Visitor Accomodations

Requiring the placement of addresses and permit numbers on web sites does not make sense. It does little for enforcement of regulations and may infringe on freedom of speech and constitutional rights. I encourage you to omit this requirement.

Sincerely,

/s/ Angie Larson

I Oppose Bills 8 and 9, Regulation of Certain Visitor Accomodations

I oppose bills 8 and 9 as they are now written. Placing addresses and permit numbers on web advertisements opens the door to more harassment of rental owners and visitors. It also puts them at risk for break-ins, theft, and vandalism.

Sincerely,

/s/ Fred Larson

Owners of vacation rentals are currently being hounded by zealots from a minority of Oahu residents. To place addresses and permits on web sites would only empower these zealots and reduce the security of our residents and visitors.
