ORAL TESTIMONY BILLS 8-9 OPPOSED

Good morning zoning committee chair Rod Tam and members of the zoning committee.

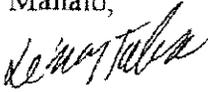

Thank you for this opportunity to address your committee. My name is Leroy Taba.

I OPPOSE BILLS 8 & 9 pertaining to advertising for the following reason:

Advertising one's location is an open invitation for criminals to target a vacant unit and an open invitation for "trouble makers" to harass legitimate guests and tenants.

Thank you for this opportunity to testify against Bills 8 & 9. I will be happy to answer any questions you may have.

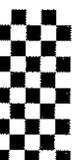

Mahalo,

Leroy Taba
