Subject: Against City Council Bills 8 and 9

March 25, 2008

Bills 8 and 9

I am against Bills 8 and 9. Names and addresses need to be protected from the public unless provided by the property owners. My concerns are:

- • Drive by sight seers which will disturb the neighbors.
- • The opportunity for vandalism, particularly if the owners are not on site.
- • Harassment from those who oppose any change in legislation.

Thank you,

Susan Phillips
