Regarding (Bill 8-9)

NO for Bill 8-9 (Requiring addresses on advertisement)

I am against bills 8-9. I don't think that it would be a good idea for them to have to put their address listing on advertisements. I live next to a vacation rental and I think that this is a very bad idea.

Aloha,

Vicki Martin

I am against bills 8-9. I don't think that it would be a good idea for them to have to put their address listing on advertisements. I live next to a vacation rental and you would just be telling the thieves when and where to come. What possible good would this do anyone?

NO for Bill 8-9 (Requiring addresses on advertisement)

We are against bills 8-9. We don't think that it would be a good idea to require them to have to list their addresses on advertisements. We live in a neighborhood with vacation rentals and do not support this idea of "listing addresses" in any way shape or form.

I am against bills 8-9. I don't think that it would be a good idea for them to have to put their address listing on advertisements. I work as a vacation rental cleaner and this is just inviting trouble with theft.

We are strongly against bills 8-9. We don't think that it would be a good idea for them to have to put their address listing on advertisements. We live next to a vacation rental and you would just be telling the thieves when to come, we are both teachers and are gone all day. We are not afraid of the tourists just the people who would prey on them.
