Executive Director

RE: Budget Bill 18 – Executive Operating Budget and Program

RECEIVED
MAY 15 2 28 PM '08
CITY CLERK
HONOLULU, HAWAII

Aloha.

We submit this testimony to request your reconsideration of funding for the Domestic Violence Action Center.

Our work is unduplicated and a crucial program for this community. All levels of government must assist us in meeting the needs of victims of domestic violence.

As I testified previously, we are serving victims in and out of the courtroom find their pathway to safety.

It is our hope the Committee, in its wisdom, will make safe homes a priority for our island families.
