Resolutions 07-90 and 08-166

The Downtown Neighborhood Board #13 has held a public meeting on the rail issue and concerning City County Resolutions 07-90 and 08-166.

Listening to extensive testimony and having much discussion among the Board and community, the Board has put forth a request to the city Council.

**The Downtown Neighborhood Board #13 supports the concept of rail on the ballot through a City Charter Amendment.
The motion passed unanimously.**

The Board does not promote a particular resolution or wording as long as the concept of allowing the people of Oahu to vote on this issue of tremendous importance is allowed. Either vehicle 07-90 or 08-166 can accomplish our goal.

The Board did not take a position in favor or against rail.
As always, our Board appreciates the hard work of the Council.
