Subject: Council Meeting Testimony

Resolution 08-256 is an attempt to provide more enforcement against illegal mini hotel operations, but it will create another unwanted governmental agency, and amending our City Charter is not the way to do it. The most important way, and least costly method of providing enforcement, is to ask Rod Tam to release Bill 8 from his Zoning Committee, and let the Council pass it. This bill will then give the DPP a tool of enforcement that should eliminate the majority of illegal Transient Vacation Rentals that are so negatively impacting our residential communities. Please vote **NO** on Resolution 08-256 and Bill 6 CD1 and YES on Bill 8.
