CITY CLERK  
HONOLULU, HAWAII

Aloha Honolulu City Council Members:

**PLEASE OPPOSE RESOLUTION 08-256** INTRODUCED BY  
COUNCILMAN CHARLES DJOU.

THE EFFECTS OF THIS APPROACH WILL ULTIMATELY SIGNIFICANTLY COMPOUND  
THE PRESENT PROBLEM CAUSED BY MINI-HOTELS (ILLEGAL B&BS AND VACATION  
RENTALS) OPERATING IN RESIDENTIALLY ZONED NEIGHBORHOODS.

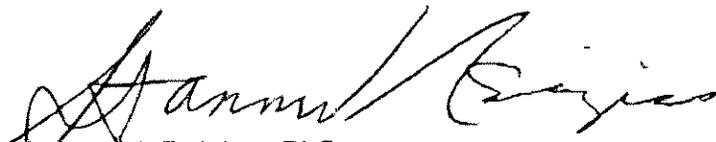

Another layer of government bureaucracy is NOT what we need.

We already have adequate regulations in place. Therefore, more regulations are NOT what is  
necessary to correct the vacation rental problem.

We want and require **ENFORCEMENT**. Not more regulations!

Why is the paramount issue, **ENFORCEMENT**, continually being slighted, or completely  
ignored by the City Council at the expense of catering to Organized Criminals (HVROA Hawaii  
Vacation Renters Association) who are profiting from the destruction of the quality of life in our  
residential neighborhoods?

Please pass Bill 8 and give the DPP the muscle they requested, and legal teeth they  
desperately need in order to do the enforcement job they are responsible for and willing to do.
