530 South King St. Room 202

Dear Chair and Council Members:

This is in support of the confirmation of Gordon Bruce's appointment to Director of the Department of Information Technology (DIT).

I had known Gordon for 5 years, and have worked very closely with him during the period he served in his capacity as a consultant and current director of DIT. Gordon is well known and respected for his vision and skills in problem solving through direct and sensible approaches. He has consistently exhibited his knowledge and expertise in the various subject areas of information technology and administrative activities, and he has always conducted himself in a professional manner.

Since his assumption of the Director's position at the City & County of Honolulu, Gordon has continued to exhibit the same qualities, traits, knowledge and expertise that made him well respected over his career. I believe that he is most qualified and best suited for the job, and the best candidate to execute the mission of the Department. His friendly demeanor makes him very approachable and, as a result, communication with the department staff and other agencies has become more collaborative.

I respectfully encourage you to confirm Gordon Bruce's appointment.

Sincerely,

Lena Gan
