Dear Chief Correa:

Thank you for attending the City Council's Public Safety and Services Committee meeting on March 5th. I appreciated the update you provided regarding your department's efforts to address the homeless issues at Kapiolani Park.

I would like to offer my assistance to your department to insure you have every resource necessary to fix this problem. Please do not hesitate to contact my office if you determine that additional legislation or adjustments to current legislation is needed to give your department more effective enforcement tools.

I also request that your department review Bill 2 (09) and provide the council with any thoughts or concerns you may have at the next scheduled committee meeting. I am completely open to adjusting the language of this bill to fit HPD's needs and to insure that all city agencies involved will be comfortable with the final version.

Please do not hesitate to contact my office at 768-5004 if you have any questions. I look forward to hearing from you soon. Best wishes.

Aloha,

Charles K. Djou
