RE: Reduction to MOCA Programs: Budget line item 3006

Number of Pages: 1

---

Dear Councilman:

I am contacting you because I strongly support the efforts of the Mayor's office to support the arts. These small grants in no way cover the total cost of the programs, but they make a difference in leveraging money from other resources.

Everyone is having to make reductions these days, but I urge the Council to restore some of the proposed greater than 50% reduction to MOCA's programs.

Sincerely,

*Marci Prins*
