CITY CLERK  
HONOLULU, HAWAII

Aloha,

I am pleased to present testimony in strong support of the two priority projects requested by our Koolauloa Neighborhood Board #28 and want to express my appreciation to Councilmember Dela Cruz for his ongoing support for our community. As a long-time member of Hauula, I am very happy that our community will get the benefit of the project for Hauula Community Park. Please act favorably for the benefit of our residents and visitors who come to our rural side of the island. Please support the projects for the Hauula Community Park and the Punaluu Beach Park.

Mahalo.

Barbara Kahana, Hauula Community Association and Sub-District 3 (Hauula) representative on the Koolauloa Neighborhood Board.
