CITY CLERK

RECEIVED

May 5, 2009

Wayne Y. Yoshioka, Director
Department of Transportation Services
City and County of Honolulu
650 S. King St., 3rd Floor
Honolulu, Hawaii 96813

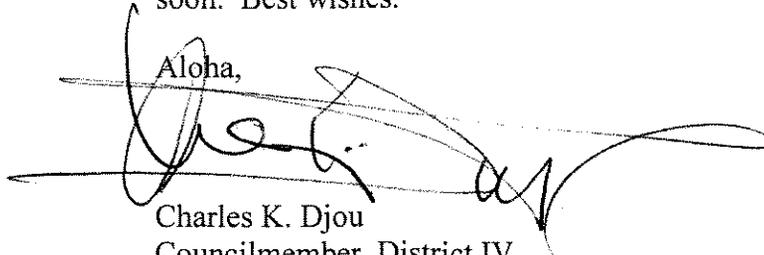

Dear Director Yoshioka:

As a follow-up to our Budget Committee meeting on February 11th and our discussion on Bill 01 (2009), the Committee requested the Department's policy on granting free fares, a list of events that were granted fare-free days, and a description of how the 5% reduction in fare box revenue is calculated. To date, I have not seen communication in response to the Committee's request and I am respectfully requesting a response.

I would also like to reiterate that draft legislation or guidelines for drafting such legislation are welcome. An overall policy regarding the suspension of fares would give direction to the applicants and guidance to the Department as well as the City Council when approving the suspension of fares.

We appreciate your assistance with this request and look forward to hearing from you soon. Best wishes.

Aloha,

Charles K. Djou
Councilmember, District IV
