To Whom It May Concern:

We, the undersigned members of the Friendship Bible Church, request that the city council approve Resolution 09-217, requesting an extension of the lease for the property formerly known as the Soto Mission. When the members of the Soto Mission determined they could no longer maintain the property, they requested that the Friendship Bible Church be allowed to take over the lease. A month to month lease was offered by the city taking into consideration the historical designation and the cost of maintaining the property. Friendship Bible Church has used the building for education purposes since that time. Friendship Christian Schools has an enrollment of 330 students, and space is needed. We would like to continue the use of the building for teaching the young people of our community. Thank you for your consideration.

Sincerely,

A handwritten signature in cursive that reads "James Reid".
