January 20, 2010

Melvin Kaku, Director
Department of Emergency Management
City and County of Honolulu
650 South King Street, Basement
Honolulu, Hawaii 96813

Dr. Elizabeth Char, Director
Honolulu Emergency Services
City and County of Honolulu
3375 Koapaka St., Suite H-450
Honolulu, Hawaii 96819

Dear Directors Kaku and Char:

This letter follows up on my correspondence to you dated August 19, 2009. (See Exhibit A, enclosed herein.) I have still not received any response from your department regarding this letter.

I respectfully reiterate my request for the following information regarding Resolution 09-86:

1. What is the source and date of the study that identified those 19 ambulances would be sufficient to service the island of Oahu?
2. What is the industry standard for emergency response time?
3. How many emergencies has the Department responded to in the last two years?
4. What is the location of the two Rapid Response Vehicles?

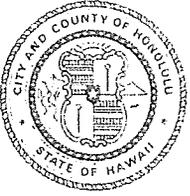

I look forward to your response prior to the next regularly scheduled full council meeting. If you have any questions, please contact my Legislative Aide, Kainoa Kaumeheiwa-Rego, at 768-5044. Best wishes.

Miona,

Charles K. Djou
Councilmember, District IV

Dear Directors:

At the Executive Matters and Legal Affairs committee meeting on August 19, 2009, committee members requested that the following information be provided regarding Resolution 09-86:

1. What is the source and date of the study that identified those 19 ambulances would be sufficient to service the island of Oahu?
2. What is the industry standard for emergency response time?
3. How many emergencies has the Department responded to in the last two years?
4. What is the location of the two Rapid Response Vehicles?

I look forward to your response prior to the full council meeting on August 26, 2009. If you have any questions, please contact my Chief of Staff, Dylan Nonaka, at 768-5043. Best wishes.

Aloha,

Charles K. Djou
Councilmember, District IV
