Subject: use of the Ala Wai Golf Course

Dear Council Members,

I am a resident and taxpayer here in Hawaii for more than 20 years. I am very upset to learn that use of the Ala Wai Golf Course, home of our folk dance group, is in jeopardy.

Please don't gut the community of services such as this that provide a positive contribution to our community and promote healthy lifestyle choices. As a state worker now on a furlough schedule since October, and a taxpayer, I am well aware of our budget issues. I am strongly against eliminating these services, such as the recreational facilities at the Ala Wai Golf Course, that define what is great in our community. Please keep the heart in our community and keep these services going. The Ala Wai Golf course building and second floor ballroom is an essential health, recreation, and communal facility.

Respectfully,
Sheryl Pollack
