Dear Mr. Eng,

I am writing to support the The Salvation Army which is scheduled for a public hearing on April 30, 2008 at 1:30pm regarding its zone change request in order to develop the Kroc Community Center, located in Kapolei.

The request involves converting the restricted agricultural district to a medium density apartment district--ideal for an area that will cater to the surrounding community.

The Kroc Community Center, which will include a day care, a computer lab, pools, educational facilities, cultural and performing arts and fitness centers, would be a great resource for leeward residents.

This project is an important family facility for the new city. I urge you to approve the zone change on behalf of the West Oahu community.

Respectfully,

Will Espero
