

IMPORTANT MESSAGE FROM THE HONOLULU RATE COMMISSION

A proposal recommending rate increases is currently being considered. These rates would apply to both TheBus and Rail. No changes are proposed for TheHandi-Van at this time.

Your input is valuable. The Rate Commission will continue its deliberations and decision-making at a meeting on May 12, 2020 from 2:30-4:30 PM. The meeting has been moved from the Mission Memorial Hearing Room to the Mission Memorial Auditorium (550 South King Street, Honolulu) in order to allow for recommended social distancing. Or, you may send written comments to ratecomm@honolulu.gov.

If you require special assistance, auxiliary aid and/or service to participate in this event (i.e. sign language, interpreter for language other than English or wheelchair accessibility) please call us at 768-6696 or email your request to ratecomm@honolulu.gov at least five days prior to the event.

Please note the following important changes:

- Rates will be the same for a ride on bus or a ride on rail.
- All single rides are proposed to be raised by twenty-five cents (\$0.25).
- Riders taking multiple rides will benefit the most by using the Holo card. Money is loaded onto the card and used to purchase rides. Those not using the Holo card do not get the discounts.
- The Holo card will never charge more than the value of two and a half rides in a single day or more than 27 rides in a month. This discount is called a “Cap” and it replaces monthly and annual passes for Adults and Youth. Senior and Low Income Annual Passes will continue.
- A new category for qualified Low Income riders is proposed as a pilot program. Those under 30% Area Median Income (AMI) may apply for this category.
- There would be no charge for transfers if taken within two hours.
